TRAVEL AIDS FOR THOSE ON THE GO

Satin Wonders

Taking a short nap on a hop-over or a deep sleep on a red-eye? Use Satin Wonders travel size 12-inch by 16-inch pillowcase to wrap in-flight pillows for a clean, comfortable "good-hair" flight. Designed by frequent traveler Jackie Lawson, the Satin Wonders pillowcase is durable enough for regular machine washing (most satin isn't). Priced at \$10, the Satin Wonders travel pillowcase is available at select salons, by calling 301-990-7008, or on the web, www.satinwonders.com.

It's an effervescent vitamin powder containing powerful doses of vitamin C, B12, magnesium, zinc and potassium that you mix with water and drink. Two years in development, this natural product helps fend off germs, improve overall wellness and boost mental clarity, 24/7. E-Boost is available at upscale minibars like those at the W, Mondrian and Delano hotels, and online at www.eboost.com. An E-Boost Tube containing 10 effervescent tablets sells for \$11.50, a box of 24 packets of powder for \$22.50.

IZON Car Massager

The IZON car massager gives auto passengers a neck or back massage while enroute to their destination. The device that attaches easily to the seat fits any vehicle headrest, including cars, trucks, mini-vans and SUVs, and plugs into the 12V socket. Offering 8 different rhythms, the device helps ease tension and stiff muscles for passengers on long car rides. A special nanotechnology coating on the fabric keeps the surface clean, dry and sanitary. Priced at \$29.95, the IZON Massager is available at various retailers nationwide or online at www.marketgypsy.com.

View Base

For in-car electronic devices like GPS and DVD units to MP3 players and cell phones, the View Base is the solution for mounting problems. View Base, mounted anywhere on the dash without adhesives or drilling, keeps electronic devices in place through

the bumpiest of rides and rapid braking. Users attach the device to the View Base using the standard suction cup mounting bracket that would otherwise be used on the windshield. Retailing for \$19.95, the View Base is available at stores, via phone at 866-674-9779, or online at www.marketgypsy.com.
